## **ABOUT THE WORLD ASSEMBLY OF YOUTH**

The World Assembly of Youth (WAY) is the international coordinating body of national youth councils and organisations. The full members of WAY are national youth councils. WAY has more than 110 member organisations from all continents.

Founded in 1949, WAY has general consultative status with the Economic and Social Council of the United Nations and works in close cooperation with several UN agencies including UNAIDS, UNEP, ILO UNESCO, UNFPA, UNICEF and WHO.

WAY works for promotion of youth and youth organisations in programme areas such as: youth employment, environment, human rights, democracy, population, health, drugs, community development and leadership training.

**MESSAGE FROM  
RT HON DATUK SERI HJ MOHD ALI BIN MOHD RUSTAM  
PRESIDENT OF THE WORLD ASSEMBLY OF YOUTH**

It gives me great pleasure to inaugurate this directory, which is a compilation of the contact details of national youth councils around the world.

Founded in 1949, the World Assembly of Youth (WAY) is the international coordinating body of national youth councils, primarily concerned with the strengthening and development of its member organisations.

Through this directory we hope to encourage networking, collaboration and partnership between national youth councils, and the entire global youth development community.

WAY will periodically publish this directory to reflect any new changes in contact details of national youth councils.

I do hope that this directory will be of immense value to its users!

**MESSAGE FROM  
DONALD TINOTENDA CHARUMBIRA  
SECRETARY GENERAL OF THE WORLD ASSEMBLY OF  
YOUTH**

Through modern communications, it is our hope that this directory can boost partnerships and collaborations between national youth councils, which are the critical players in the youth development sector at the national level.

I would also like to appeal to all national youth councils to ensure that they periodically submit their latest contact details to the World Assembly of Youth (WAY) secretariat to ensure that all their latest contact details are reflected in subsequent editions of the directory.

I would like to express our profound appreciation to national youth councils who have contributed towards the publication of this directory. And I would also like to thank Ediola Pashollari, WAY deputy secretary general, for coordinating the compilation of this directory.
